

## Curriculum Vitae

Dr. Delphine Deryng  
[delphine.deryng@zalf.de](mailto:delphine.deryng@zalf.de)

Leibniz Centre for Agricultural Landscape Research Institute of Land Use Systems  
Eberswalder Straße 84 D-15374 Müncheberg, Germany [www.zalf.de](http://www.zalf.de)

### Professional Experience

11/2018 up to now	Researcher at the Leibniz Centre for Agricultural Landscape Research (ZALF), Germany
11/2016 to 10/2018	Research Associate at Climate Analytics, Germany
11/2015 to 10/2016	Postdoctoral Research Scholar at the University of Chicago, USA
09/2014 to 09/2015	Senior Research Associate at the University of East Anglia, UK
10/2010 to 08/2014	PhD Researcher at the Tyndall Centre for Climate Change Research, UK
01/2007 to 08/2010	Research Associate at McGill University, Canada
09-12/2006	Research Associate at Université de Montreal, Canada

### Education

2015 Ph.D. University of East Anglia, UK (Environmental Sciences)
2010 M.Sc. McGill University, Canada (Geography)
2006 M.Sc. Université Denis Diderot Paris 7, France (Physics)
2004 B.Sc. Université Denis Diderot Paris 7, France (Physics)

### Visiting Appointments and Additional Research Experience

12/2018 up to now	Guest Scholar at the Integrative Research Institute on Transformations of Human-Environment Systems (IRI THESys), Humboldt University, Germany
11/2018 up to now	Lead Author for Chapter 5: "Food, fibre, and other ecosystem products" of the Working Group II Contribution to the IPCC Sixth Assessment Report
11/2015 to 12/2017	Adjunct Associate Research Scientist at Centre for Climate Systems Research, Earth Institute, Columbia University, USA
01/2017	Research consultant for the United Nations Food and Agriculture Organisation (FAO), Italy

## Visiting Appointments and Additional Research Experience (continued)

11/2015 to 10/2016	Science Collaborator at the NASA Goddard Institute for Space Studies (GISS), USA
09/2014 to 09/2015	Research Associate at the Grantham Research Institute on Climate Change & the Environment, London School of Economics and Political Science, UK
Oct 2014 to 01/2015	Research consultant for the Overseas Development Institute, UK
01/2013 to 08/2014	Research consultant for the International Life Sciences Institute Research Foundation, USA
09-12/2013	Research consultant for CABI, UK

## Awards

Early career travel award (2015) from the French Institut de Recherche pour le Development (IRD) – to attend and present (poster) at the Climate Smart Agriculture (CSA15) conference in Montpellier (France)

ERL High Impact publication award – Global crop yield response to extreme heat stress under multiple climate change futures by Delphine Deryng et al. was selected by the editors of Environmental Research Letters (ERL) for inclusion in their exclusive “Highlights of 2014” collection. This article was awarded a “Highly Commended” as a result of the Editorial Board vote for ERL’s “Best Article” for 2014.

Best poster presentation prize, Institute for Food Science & Technology Spring Conference (2013)

Best poster presentation prize, Annual Tyndall Assembly (2011)

Early career travel award (2011) from the World Climate Research Program to participate in the World Climate Research Program Open Science Conference in Denver (Colorado, USA)

Student stipend (2009) & travel award (2008) from the Global Environmental and Climate Change Centre (GEC3), Montreal
