

Dr. Maria Kernecker

Professional Experience

Since 2016	Postdoctoral Researcher: Land Use and Governance, Leibniz Center for Agricultural Landscape Research
2013-2016	Parental leave
2009-2013	Doctoral Researcher: Soil Ecology Lab, Department of Natural Resource Sciences, McGill University, Montreal, Canada
2010-2012	Teaching Assistant: <i>Agroecology of Fruits and Vegetables, Soil Fertility and Fertilizers, Introduction to the Biophysical Environment</i> , McGill University, Montreal Canada
2007-2008	Research Associate: “ <i>Developing Sustainability Indicators for Universities</i> ,” Department of Economics and Social Sciences, University of Natural Resources and Life Sciences, Vienna, Austria
2006-2007	Research Fellow: Universidad Veracruzana and Centro de Investigaciones Tropicales, Xalapa, Veracruz, Mexico
2006	Tutor: <i>Seminar on Cultural and Agro-ecology</i> , Department of Sustainable Agricultural Systems, University of Natural Resources and Life Sciences, Vienna, Austria
2004-2005	Research Assistant: Carnegie Mellon University, Pittsburgh, USA
2003-2004	Research Assistant: Division of Earth and Ecosystem Sciences, Desert Research Institute, Reno, USA
2001-2004	Research Assistant: Entomology and Wetland Ecology labs, Department of Environmental and Resource Sciences, University of Nevada, Reno, USA

Education

2009-2013	Ph.D., Natural Resource Sciences, McGill University, Montreal, Canada
2005-2009	M.Sc. Environmental and Bioresource Management (<i>with distinction</i>), University of Natural Resources and Life Sciences, Vienna, Austria
2000-2004	B.A. International Affairs and Spanish (<i>with distinction</i>), University of Nevada, Reno, USA <i>Semester abroad, 2002: Babeş-Bolyai-Universität, Cluj-Napoca, Romania</i>

Membership and participation in scientific community

- Member: 500 Women Scientists- Berlin, Global Soil Biodiversity Initiative, Ecological Society of America, The Ecological Society of Germany, Austria, and Switzerland
- Reviewer: Sustainability, Journal of Soil Biology and Biochemistry, Biology and Fertility of Soil, Pedosphere, European Journal of Soil Biology, Canadian Journal of Soil Science
