

# Katja Kühdorf

## Professional experience

- Since 2010 - present PhD student at the Institute for Landscape Biogeochemistry at the Leibniz Centre for Agricultural Landscape Research (ZALF) Müncheberg
- 2008 - 2009 Student assistant at the Friedrich Schiller University Jena within the DFG-Project "Exploratories for large-scale and long-term functional biodiversity research"
- 2008 Student assistant at the Swiss Federal Institute of Technology Zurich within the DFG-Project "The Jena Experiment"
- 2007 - 2008 Student assistant at the Friedrich Schiller University Jena at the Department for Plant Physiology
- 2006 - 2009 Student assistant at the Friedrich-Schiller-University Jena within the DFG-Project "The Jena-Experiment"
- 2006 Student assistant at the Friedrich Schiller-University Jena within the DFG-Project "Molekulargenetische und bestäubungsbiologische Untersuchungen der natürlich bestandsbildenden floralen homöotischen Spe-Variante des Hirtentäschels (*Capsella bursa-pastoris*)"

## Education

- 2009 Diploma theses "Turionenproduktivität bei *Spirodela polyrhiza* und molekulare Charakterisierung der Wasserlinsengewächse durch DNA-Barcoding"
- 2002 - 2009 Studies in Biology at the Friedrich-Schiller-University Jena
- 2002 Abitur at the Pestalozzi-Gymnasium Greiz
