

Curriculum Vitae

Harison K. Kipkulei

Professional experience

- 2020 – date **PhD researcher**, SusLAND working group, Leibniz centre for agricultural landscape research (ZALF)
- 2019 – date **Tutorial fellow**, Department of Geomatic Engineering and Geospatial information science, Jomo Kenyatta University of agriculture and technology, Kenya
- 2015 – 2018 **Teaching Assistant**, Department of Geomatic Engineering and Geospatial information science, Jomo Kenyatta University of agriculture and technology, Kenya

Education

- 2020 – date **PhD student** at the Humboldt University in Berlin
Title of the work: "Crop modelling and remote sensing assimilation in yield prediction and condition monitoring in Kenyan agricultural landscapes "
- 2015 – 2017 **Master of science**, Geospatial information systems, Jomo Kenyatta University of agriculture and technology, Kenya
- 2010 – 2014 **Bachelor of Science** in Geomatic engineering and geospatial information systems, Jomo Kenyatta University of agriculture and technology, Kenya

Advanced Training

- Expert in geospatial information science and crop modelling with assimilation of process based crop models and geospatial information in tropical and sub-tropical food production systems
