Dr. rer. nat. Marie Perennes

Position: Scientific researcher on tenure track
Working Group "Provisioning of Ecosystem Services in Agricultural Systems"

Academic education and scientific degrees

2022	PhD in Landscape Ecology (summa cum laude), Leibniz University Hannover
2019	BSc in Applied Economics, Paris Sud University
2017	MSc in Geoecology and Landscape Ecology, Bayreuth University
2011	MSc in Environmental Engineering and Planning, Ecole Nationale des Travaux Publics de l'Etat (ENTPE), Lyon
2008	BSc in Biology, Rennes University

Professional experience

Since 2025	Scientific researcher on tenure track, Leibniz Centre for Agricultural Landscape Research (ZALF), Müncheberg
2023 – 2025	PostDoc, Agrosope, Zürich
2021 – 2023	PostDoc, Swiss Ornithological Institute, Sempach
2019 – 2021	Doctoral researcher, Institute of Physical Geography and Landscape Ecology, Leibniz University Hannover
2017 – 2019	Research fellow, Department of Landscape Ecology, Kiel University
2016 – 2017	Research assistant, Fraunhofer Institute, Stuttgart
2011 – 2014	Environmental Impact Assessment Specialist, French Ministry of Ecology, Paris

Research Profile

Background
- Ecological modelling
- Landscape ecology
- Agricultural landscapes
- Insect and bird ecology

Research Activities
- New technologies for Ecosystem Services and biodiversity monitoring
- Synthesizing knowledge for evidence-based biodiversity conservation
- Assessing drivers of species distribution at field and landscape scales in agroecosystems

Awards and memberships

Since 2025	Member of the GFÖ
2020 – 2021	PhD Scholarship, Graduate Academy of the Leibniz University Hannover
2015 – 2017	Master Scholarship, German Academic Exchange Service (DAAD)
