

# Curriculum Vitae

Dr. agr. Moritz Reckling

## Occupation

- since 2019 PostDoc, Resource-Efficient Cropping Systems Research Area 2 "Land Use and Governance" Leibniz Centre for Agricultural Landscape Research
- 2011 – 2018 Research assistant at the Institute of Land Use Systems Leibniz Centre for Agricultural Landscape Research

## Education

- 2014 – 2018 PhD program at the Swedish University of Agricultural Sciences (SLU), Department of Crop Production Ecology, Uppsala
- 2009 – 2011 M.Sc. Organic Agriculture, Specialization Agro Ecology, Wageningen University, The Netherlands
- M.Sc. topic: "Characterization of Bean Farming Systems Across Farm Types in Northern and Eastern Rwanda – Identification of Potential Niches for Legume Technologies", supervised by Ken Giller & Linus Franke (WUR) and Bernard Vanlauwe (IITA)
- 2005 – 2009 B.Sc. Organic Agriculture, Kassel University
- B.Sc. topic: "Smallholder Group Certification in Uganda – Analysis of Internal Control Systems in Two Organic Export Companies", supervised by Michael Fremerey & Birgit Wilhem (Kassel University)
- 2004 – 2005 Internship in Ghana
- 2004 A-level, Waldorf School Marburg

## Grants

- 2019 – 2021 DFG project "Impact of climate on grain legume yield stability" (research grant for the own position)
- 2018 – 2019 Participant in the Academy on Agroecosystem Research and Plant Production of the German Research Foundation (DFG)
- 2016 Grant for participating at the European Society of Agronomy Conference in Edinburgh, UK by the European Society of Agronomy

## Member in scientific societies

- European Society for Agronomy (ESA), [www.european-agronomy.org](http://www.european-agronomy.org)
- German Society for Agronomy (GPW), [www.gpw.uni-kiel.de](http://www.gpw.uni-kiel.de)
- International Society of Organic Agriculture Research (ISOFAR), [www.isofar.de](http://www.isofar.de)

## Language

German, English, French
