

List of Publications

Dr. Sara Delaney

Journal articles (peer reviewed)

Delaney, S. (2025). Molly D. Anderson: Transforming food systems: narratives of power. *Agriculture and Human Values*, DOI: <https://doi.org/10.1007/s10460-025-10704-5>

Delaney, S. and von Wettberg, E.J.B. (2023). Towards the next angiosperm revolution: agroecological food production as a driver for biological diversity. *Elementa: Science of the Anthropocene*, DOI: <https://doi.org/10.1525/elementa.2022.00134>

Delaney, S. (2023). Who to call after the storm? The Challenge of Flooding due to Climate Change for Fruit and Vegetable Growers in the Northeast United States. *Environment and Society*, Vol. 14, Issue 1, DOI: <https://doi.org/10.3167/ares.2023.140105>

Delaney, S., Livingston, G. and Schonberger, S. (2011). Right Place, Right Time: Increasing the effectiveness of agricultural development support in sub-Saharan Africa. *South African Journal of International Affairs*, Vol.18, Issue 3, DOI: <https://doi.org/10.1080/10220461.2011.622950>

Journal articles (other)

Delaney, S., Jackson, B., Olsen, A., and Torres, P. (2023). Commoning Climate Change: Peer-to-Peer Social Affinity in a Multi-Level Commons. *Spire, The Maine Journal of Conservation and Sustainability*.

Books

Conway, G. and Waage, J. with **Delaney, S.** (2010). *Science and Innovation for Development*. UKCDS, London. ISBN 978 1 84129 0829

Book chapters

Livingston, G., Schonberger, S., and **Delaney, S.** (2014). Right place, right time: the state of smallholders in agriculture in sub-Saharan Africa (pp. 36-68). In: P. B. R. Hazell & A. Rahman (Eds.) *New Directions for Smallholder Agriculture*. Oxford University Press DOI: <https://doi.org/10.1093/acprof:oso/9780199689347.003.0003>

Conference Proceedings

Delaney, S., Jensen, M. and Martinez, C. (2025). Harvesting Insights: Lessons learned from engaging the community in regional climate action planning. Presentation at the Farm-to-Institution Summit, April 2025, Portland, ME.

Schattman, R.E., Kelemen, S. and **Delaney, S.** (2024). It takes a village: community supported, farm-scale climate adaptation and mitigation planning. Poster presentation at the ACES conference, December 2024, Austin, TX.

- Delaney, S.**, Scarce, A. and Bello, A. (2024). Case Studies in Publicly-Engaged Agroecology Research. Workshop at the Food Systems Research Summit, University of Vermont, September 16-17, 2024, Burlington, VT.
- Delaney, S.**, and Schattman, R. E. (2024). Reinforcement through community: the role of farmer and advisor social networks in supporting persistent innovation and outreach in a changing climate. Presentation at the Growing Outreach conference, August 22, 2024, Madison, WI.
- Delaney, S.**, Cook, N., and Schattman, R. E. (2024). "The big, big everybody": The role of farmer and advisor networks in supporting adaptive food systems in a changing climate in the NE-US. Poster Presentation at the Agriculture, Food and Human Values Society (AFHVS) Annual Conference. May 2024, Syracuse, NY.
- Delaney, S.**, Cook, N., and Schattman, R. E. (2023). Experimenting together: applying research to improve climate adaptation programming in agriculture. International Association of Society and Natural Resources (IASNR) Annual Conference. June 13, 2023, Portland, ME.
- Delaney, S.**, Hobbs, P., Siele, A. and Ambrose, E. (2015). Measuring changes in household food security and diet diversity following the introduction of kitchen gardens in Burundi. Cornell University, Global Food Security Conference, October, Ithaca, NY.
- Delaney, S.** (2015). Trying Something New: Factors in farmer adoption or non-adoption of new practices. Plenary at ECHO's International Agriculture Conference, November, Fort Myers, FL.
