

**Please note:** ZALF campus license for Citavi 6 is for ZALF employees only.

### Step 1

Install Citavi Free version 6.8. The installation file is provided via the „Baramundi-Kiosk“.

### Step 2

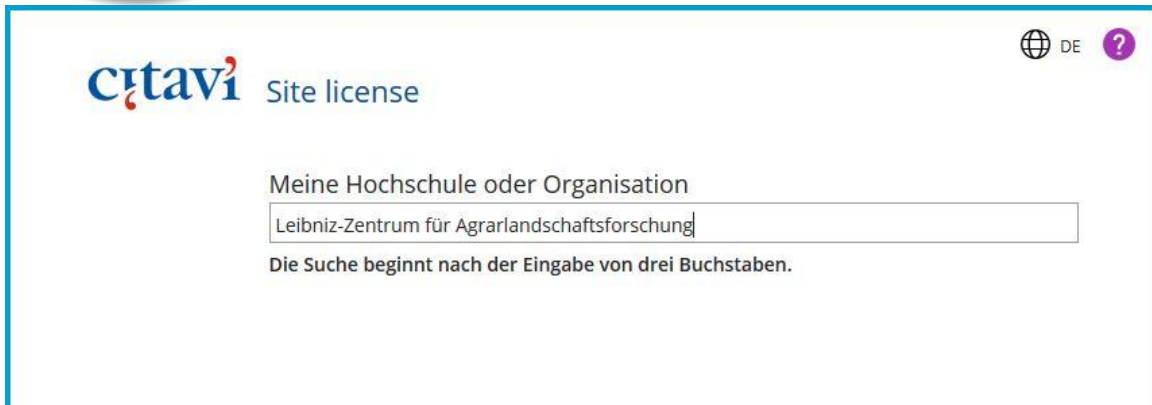

Create your own Citavi Account.

### Step 3

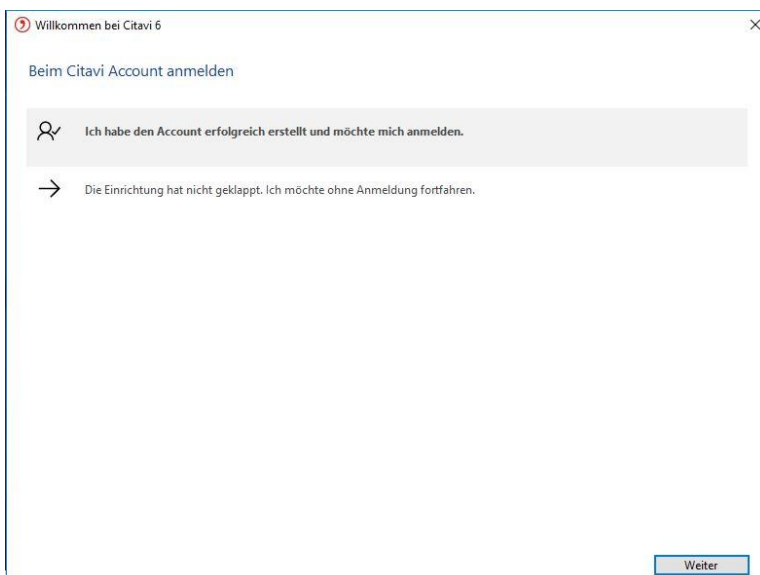

Click on „Meine Hochschule“, select the ZALF and enter your ZALF email address. Thereupon you will get a confirmation email from Citavi.

#### Step 4

Login with your Citavi Account. Citavi will automatically convert the test version into a full version.

HOW  
TO...?

## Citavi 6 installation guide
