Clear prior granting of permission for release of your information to this service.

E Access Elsevier products using your institutional credentials

You are about to access the service: Elsevier of Elsevier

Description as provided by this service: Access Elsevier products using your institutional credentials

Additional information about the service

Information to be Provided to Service	
eduPersonEntitlement	urn:maced:dir:entitlements:common-lib-terms
eduPersonScopedAffiliation	staff@zalf.de member@zalf.de

Data privacy information of the service

The information above would be shared with the service if you proceed. Do you agree to release this information to the service every time you access it?

Select an information release consent duration:

Ask me again at next login

- I agree to send my information this time.

Ask me again if information to be provided to this service changes

- I agree that the same information will be sent automatically to this service in the future.

Do not ask me again

- I agree that all of my information will be released to any service.

This setting can be revoked at any time with the checkbox on the login page.

6. Again you end up on a new page. Here you have to login with your ZALF-account.
7. Then choose one of the three options and click on "Accept".

Now you will finally come back to the start page from *Science Direct* where you can start your search.

>>The password you entered was incorrect.<<

If this message is displayed during authentication please try to login again using the password you had before an eventual password change.

- ✓ If you are asked to pay to see/download an article even after your login, this means that we unfortunately don't have a subscription for this journal. Then please contact the library team (bib@zalf.de), we will provide the article for you by other means.
- ✓ If you have already logged in to *Springer Link* or *Wiley Online Library* during your session, normally step 6 (log in with username and password) won't be necessary.
